As an Enforcement Agent I have attended your premises today with the intention of taking control of your goods in accordance with the **Taking Control of Goods (Fees) Regulations 2014**. At this time your goods are bound. You cannot remove, sell or otherwise dispose of them.

The amount due is £ 4544.04
This includes an Enforcement Stage Fee of £ 416

Dear MR SULLIMAN KHAN. Thank you for your correspondence dated the 29th Day of July 2015. We have noted its content and will be keeping this on file as material evidence pending future legal action.

1. We have noted that MR SULLIMAN KHAN is claimant.
2. We have noted that MR SULLIMAN KHAN is an independent enforcement Agent for Bristow & Sutor Enforcement Agents or an employee of Bristow & Sutor Enforcement Agents
3. We have noted that there is a claim Underlined Council Tax.
4. We have noted that this claim for Council Tax is by Warrington Borough Council.
5. We have noted that this act of enforcement is under the Taking Control of Goods (Fees) Regulation 2014 and that the goods are bound.
6. We have noted that there is a claim of a Debt.
7. We have noted that there is a claim to an obligation to pay.
8. We have noted that there is a claim to further cost for service.
9. We have noted that there is a claim and intended act of enforcement.

In the interests of candour we have enclosed previous correspondence regarding this matter.

1. Previous correspondence to Bristow and Sutor dated the 19th Day of June 2015.
2. Previous Notice of enforcement from Bristow & Sutor Enforcement Agents dated 26th May 2015
3. Previous response to Bristow & Sutor Enforcement Agents Dated 23rd Day of June 2015
4. Affidavit of truth and statement of fact. This Affidavit has been served upon every MP and the office of Government and stands as uncontested fact.

It is a maxim of the rule of law that he/she who brings a claim has the obligation to provide the material substance of that claim. Otherwise the claim is fraudulent in nature which is fraud by misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act of force and an act of terrorism.

There is now a clear and noted obligation for MR SULLIMAN KHAN acting in the capacity of independent enforcement agent for Bristow & Sutor Enforcement Agents for Warrington Borough Council to provide the material evidence to the following effect.

1. That MR SULLIMAN KHAN has the legal authority to act in the capacity of independent enforcement Agent for Bristow & Sutor Enforcement Agents or an employee of Bristow & Sutor Enforcement Agents. Where MR SULLIMAN KHAN as claimed enforcement Agent carries and is a recognised licensed authorised by a certifying named Judge, accompanied by an affixed court seal granting this claimed enforcement agent authority as enforcement agent. Also the

required indemnity insurance along with photo ID (Passport or photo driving licence) combined with Utility Bill for the address of MR SULLIMAN KHAN claimed Enforcement Agent.

2. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that any Judge has the authority to grant authority to another, where that judge is not a fit and proper person to grant such an authority to another, as that judge is an employee of a private company which is no different to McDonalds in status and standing and this fact has been confirmed by the Rt. Hon. Lord chief Justice Sir Jack Beatson FBA. See exhibit (B) in the affidavit.
3. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD has an obligation to pay council tax under the local government finance Act 1992. See exhibit (A) in the Affidavit where it has been proven at tribunal where a claim was made under traffic management Act 2004 that the appellant had no obligation under the act as a mandatory requirement of obligation has not been fulfilled and this was agreed also by an officer of the State Scott Clark. Where it is now conclusive that none of the circa 63.5 million people have no obligations under any of the Acts and Statutes of Parliament and any such claim made under an Act of Parliament would be fraudulent in nature which is also fraud by misrepresentation and carries a term of incarceration of 7 to 10 years.
4. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that there is a letter of assignment from Warrington Borough Council to Bristow & Sutor Enforcement Agents which is signed in wet ink by a named officer of Warrington Borough Council. Without this signed assignment then there is no legal authority under which Bristow & Sutor Enforcement Agents or MR SULLIMAN KHAN can legal act upon.
5. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD has an agreement or obligation raised under Taking Control of Goods (Fees) Regulation 2014 and that the goods are bound.
6. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that there is an agreed debt that MR DAVID WARD has an obligation to settle.
7. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD by way of an agreement or contract that MR DAVID WARD has failed in an agreed obligation of performance for which MR DAVID WARD has an obligation to pay.
8. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD by way of an agreement or contract that MR DAVID WARD has an obligation with Bristow & Sutor Enforcement Agents for any costs or service that Bristow & Sutor Enforcement Agents claim to hold.

Failure to provide the above material evidence in the next seven days will enter MR SULLIMAN KHAN in to a lasting and binding tacit agreement through acquiescence to the following effect:

1. That there is a binding agreement that MR SULLIMAN KHAN in the position of independent enforcement agent or enforcement agent in the employ of Bristow & Sutor Enforcement Agents has agreed that the claim being made by MR SULLIMAN KHAN that MR SULLIMAN KHAN is a authorised Enforcement Agent is fraudulent in nature which is also wilful and premeditated fraud by misrepresentation, which carries a term of incarceration of seven to ten years and the latter where there is multiple instances of, Or have agreed to by bound and culpable for commercial charges to the same degree.

Dear MR SULLIMAN KHAN,

We have noted as of this day the 13th day of August 2015 we have had no response from previous correspondence dated the 2nd Day of August 2015. Copies enclosed. We note once again that all correspondence will be kept on file pending future legal action.

In the interests of candour we will extend the deadline by another seven days for MR SULLIMAN KHAN to provide the material evidence required as MR SULLIMAN KHAN has made claims.

Dear MR SULLIMAN KHAN.

We have noted as of this day the 26th Day of August 2015 we have had no response to our previous correspondence of the 08th of July 2015 and the 13th day of August 2015 respectively.
We note once again that all correspondence will be kept on file pending future legal action.

In the interests of candour we will extend the deadline by another seven days for MR SULLIMAN KHAN to provide the material evidence required as MR SULLIMAN KHAN has made claims.

It is a Maxim of the rule of law that he/she who makes a Claim must provide the material evidence of that claim without which the claim is fraudulent in nature and a criminal offence.

We repost the obligations of MR SULLIMAN KHAN here for the sake of clarity.

It is a maxim of the rule of law that he/she who brings a claim has the obligation to provide the material substance of that claim. Otherwise the claim is fraudulent in nature which is fraud by misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act of force and an act of terrorism.

There is now a clear and noted obligation for MR SULLIMAN KHAN acting in the capacity of independent enforcement agent for Bristow & Sutor Enforcement Agents for Warrington Borough Council to provide the material evidence to the following effect.

1. That MR SULLIMAN KHAN has the legal authority to act in the capacity of independent enforcement Agent for Bristow & Sutor Enforcement Agents or an employee of Bristow & Sutor Enforcement Agents. Where MR SULLIMAN KHAN as claimed enforcement Agent carries and is a recognised licensed authorised by a certifying named Judge, accompanied by an affixed court seal granting this claimed enforcement agent authority as enforcement agent. Also the required indemnity insurance along with photo ID (Passport or photo driving licence) combined with Utility Bill for the address of MR SULLIMAN KHAN claimed Enforcement Agent.
2. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that any Judge has the authority to grant authority to another, where that judge is not a fit and proper person to grant such an authority to another, as that judge is an employee of a private company which is no different to McDonalds in status and standing and this fact has been confirmed by the Rt. Hon. Lord chief Justice Sir Jack Beatson FBA. See exhibit (B) in the affidavit.

3. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD has an obligation to pay council tax under the local government finance Act 1992. See exhibit (A) in the Affidavit where it has been proven at tribunal where a claim was made under traffic management Act 2004 that the appellant had no obligation under the act as a mandatory requirement of obligation has not been fulfilled and this was agreed also by an officer of the State Scott Clark. Where it is now conclusive that none of the circa 63.5 million people have no obligations under any of the Acts and Statutes of Parliament and any such claim made under an Act of Parliament would be fraudulent in nature which is also fraud by misrepresentation and carries a term of incarceration of 7 to 10 years.
4. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that there is a letter of assignment from Warrington Borough Council to Bristow & Sutor Enforcement Agents which is signed in wet ink by a named officer of Warrington Borough Council. Without this signed assignment then there is no legal authority under which Bristow & Sutor Enforcement Agents or MR SULLIMAN KHAN can legal act upon.
5. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD has an agreement or obligation raised under Taking Control of Goods (Fees) Regulation 2014 and that the goods are bound.
6. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that there is an agreed debt that MR DAVID WARD has an obligation to settle.
7. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD by way of an agreement or contract that MR DAVID WARD has failed in an agreed obligation of performance for which MR DAVID WARD has an obligation to pay.
8. That MR SULLIMAN KHAN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD by way of an agreement or contract that MR DAVID WARD has an obligation with Bristow & Sutor Enforcement Agents for any costs or service that Bristow & Sutor Enforcement Agents claim to hold.

Failure to provide the above material evidence in the next seven days will enter MR SULLIMAN KHAN in to a lasting and binding tacit agreement through acquiescence to the following effect:

1. That there is a binding agreement that MR SULLIMAN KHAN in the position of independent enforcement agent or enforcement agent in the employ of Bristow & Sutor Enforcement Agents has agreed that the claim being made by MR SULLIMAN KHAN that MR SULLIMAN KHAN is a authorised Enforcement Agent is fraudulent in nature which is also wilful and premeditated fraud by misrepresentation, which carries a term of incarceration of seven to ten years and the latter where there is multiple instances of, Or have agreed to by bound and culpable for commercial charges to the same degree.

Dear MR SULLIMAN KHAN.

We have noted as of this day the 05th Day of September 2015 we have had no response to our previous correspondence of the 08th of July 2015, 13th day of August 2015 and the 26th Day of August 2015 respectively.
We note once again that all correspondence will be kept on file pending future legal action.

If there is a crime to be redressed then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You Mrs Wilson have already been instrumental in this remedy as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

This may not be evident at first but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

In the interests of candour and clarity:

These are very serious crimes MR SULLIMAN KHAN and under current state legislation there is a cumulative period of incarceration in excess of 150 years incarceration. We would not wish to encumber the public purse for the costs of this incarceration as the public purse can ill afford this financial encumbrance. There is however an alternative and recognised process as suitable remedy.

As there is now an agreement between the parties by way of lasting tacit agreement through acquiescence, as you have already agreed to the crime then we elect to charge you under this agreement. As the crime was committed against ourselves then we reserve the right to choose the remedy for these crimes.

Where there is a crime then there is a requirement for a remedy otherwise the crime goes unresolved. As we now have an obligation to bring this crime to resolution we therefore are giving you an opportunity to resolve.

04th Day of September 2015

If you then elect to not resolve this default notice then we will take further legal action by raising a surety on the debt by way of a security by way of a lien against the estate of MR SULLIMAN KHAN and the future earnings of yourself and by way of the sins of the farther your decedents to the seventh generation were there may be an attachment of earnings on the earnings and the pension of your grand children's grand children.

This may be viewed to be an excessive action to take as a remedy but we bring your attention back to the affidavit Exhibit (F) No Body gets Paid. So is this an excessive action where there is no monetary value. No injury loss or harm can be caused by the action. This is just numbers of no commercial significance as there cannot be commerce without money and there is no such thing as money so there is no such thing as economics.

It is not our intent to place you Mrs Wilson in a state of distress or cause any distress loss or harm by this legal action. Let us face the facts. See Exhibit (F) in the affidavit. There is no such thing as Money. The Bank of England note is based upon confidence and Belief where belief is a concept in the abstract which is of no material substance. You MR SULLIMAN KHAN are an officer either in a private capacity of Enforcement agent for Marston Group Limited or in the employment of Bristow & Sutor Enforcement Agents then the Directors and secretary of Bristow & Sutor Enforcement Agents also have the same obligations and that of full disclosure as MR SULLIMAN KHAN in the position of Enforcement agent for Bristow & Sutor Enforcement Agents.

There is two executive officers directly above yourself who have a liability to you for full disclosure and who are legally responsible for your actions. Also MR SULLIMAN KHAN you are also a victim of the same crime. The Directors and the secretary of Bristow & Sutor Enforcement Agents have an obligation to yourself and are culpable and liable for their criminal actions. Also David Cameron and the Secretary of State have the same liabilities and obligations as you do.

I have had an extensive conversation with my Bank Manager. This conversation was very fruitful. It was agreed and is true to note that a lien is an asset, and is a security and also a commercial instrument. My enquiry was to distinguish if I needed a special portfolio account for the deposit of these commercial instruments. The response was that I could deposit these commercial instruments in any account such as a current account or better still an ISA account with 3.5% interest.

MR SULLIMAN KHAN we have expressed the criminal offences and there is an obligation to resolve. We have also noted that others is association are also complicit in the same criminal offences. He who is complicit in any criminal offences also carries the obligating to bring those also complicit in the same criminal offences to resolution.

I stated close to the beginning of this letter that this solution or remedy would be beneficial to others including yourself. This also includes The Directors and the secretary of Bristow & Sutor Enforcement Agents as we are all victims of the same crime. In another few weeks you could have in excess of £170 million in a current account. You have a choice. The choice is continue committing crimes or stop committing crimes. The outcome will be the same and to the benefit of all.

It could be said that to take this action is to destabilise the economy. WHAT economy. That was done generations ago when the government licensed fraudulent Banking Practice by that we mean Federal Reserve Banking practices, fractional lending and quantitative easing.

We did ask ourselves "Are we committing Fraud" Our response to this was. Is there full disclosure? *YES* is there an agreement between the parties as a result of that disclosure? *YES* "Is there any injury loss or harm?" *NO* Then there is no fraud?

Are we destabilising Government? Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the affidavit Exhibit (H). Without a valid and accountable government then there is no such thing as the public or the public purse.

MR SULLIMAN KHAN. You have seven days to make reparation for your criminal offences. Seven days after that there will be a notice of default. Seven days after that there will be a security by way of a lien.

Dear MR MALCOLM DAREN. Thank you for your correspondence dated the 29th Day of July 2015. We have noted its content and will be keeping this on file as material evidence pending future legal action.

1. We have noted that MR MALCOLM DAREN is claimant.
2. We have noted that MR MALCOLM DAREN is an independent enforcement Agent for Bristow & Sutor Enforcement Agents or an employee of Bristow & Sutor Enforcement Agents
3. We have noted that there is a claim Underlined Council Tax.
4. We have noted that this claim for Council Tax is by Warrington Borough Council.
5. We have noted that this act of enforcement is under the Taking Control of Goods (Fees) Regulation 2014 and that the goods are bound.
6. We have noted that there is a claim of a Debt.
7. We have noted that there is a claim to an obligation to pay.
8. We have noted that there is a claim to further cost for service.
9. We have noted that there is a claim and intended act of enforcement.

In the interests of candour we have enclosed previous correspondence regarding this matter.

1. Previous correspondence to Bristow and Sutor dated the 19th Day of June 2015.
2. Previous correspondence to MR SULLIMAN KHAN Dated 02nd Day of August 2015.
3. Previous Notice of enforcement from Bristow & Sutor Enforcement Agents dated 26th May 2015
4. Previous response to Bristow & Sutor Enforcement Agents Dated 23rd Day of June 2015
5. Affidavit of truth and statement of fact. This Affidavit has been served upon every MP and the office of Government and stands as uncontested fact.

It is a maxim of the rule of law that he/she who brings a claim has the obligation to provide the material substance of that claim. Otherwise the claim is fraudulent in nature which is fraud by misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act of force and an act of terrorism.

There is now a clear and noted obligation for MR MALCOLM DAREN acting in the capacity of independent enforcement agent for Bristow & Sutor Enforcement Agents for Warrington Borough Council to provide the material evidence to the following effect.

1. That MR MALCOLM DAREN has the legal authority to act in the capacity of independent enforcement Agent for Bristow & Sutor Enforcement Agents or an employee of Bristow & Sutor Enforcement Agents. Where MR MALCOLM DAREN as claimed enforcement Agent carries and is a recognised licensed authorised by a certifying named Judge,

accompanied by an affixed court seal granting this claimed enforcement agent authority as enforcement agent. Also the required indemnity insurance along with photo ID (Passport or photo driving licence) combined with Utility Bill for the address of MR MALCOLM DAREN claimed Enforcement Agent.

2. That MR MALCOLM DAREN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that any Judge has the authority to grant authority to another, where that judge is not a fit and proper person to grant such an authority to another, as that judge is an employee of a private company which is no different to McDonalds in status and standing and this fact has been confirmed by the Rt. Hon. Lord chief Justice Sir Jack Beatson FBA. See exhibit (B) in the affidavit.
3. That MR MALCOLM DAREN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD has an obligation to pay council tax under the local government finance Act 1992. See exhibit (A) in the Affidavit where it has been proven at tribunal where a claim was made under traffic management Act 2004 that the appellant had no obligation under the act as a mandatory requirement of obligation has not been fulfilled and this was agreed also by an officer of the State Scott Clark. Where it is now conclusive that none of the circa 63.5 million people have no obligations under any of the Acts and Statutes of Parliament and any such claim made under an Act of Parliament would be fraudulent in nature which is also fraud by misrepresentation and carries a term of incarceration of 7 to 10 years.
4. That MR MALCOLM DAREN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that there is a letter of assignment from Warrington Borough Council to Bristow & Sutor Enforcement Agents which is signed in wet ink by a named officer of Warrington Borough Council. Without this signed assignment then there is no legal authority under which Bristow & Sutor Enforcement Agents or MR MALCOLM DAREN can legal act upon.
5. That MR MALCOLM DAREN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD has an agreement or obligation raised under Taking Control of Goods (Fees) Regulation 2014 and that the goods are bound.
6. That MR MALCOLM DAREN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that there is an agreed debt that MR DAVID WARD has an obligation to settle.
7. That MR MALCOLM DAREN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD by way of an agreement or contract that MR DAVID WARD has failed in an agreed obligation of performance for which MR DAVID WARD has an obligation to pay.
8. That MR MALCOLM DAREN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that MR DAVID WARD by way of an agreement or contract that MR DAVID WARD has an obligation with Bristow & Sutor Enforcement Agents for any costs or service that Bristow & Sutor Enforcement Agents claim to hold.

Failure to provide the above material evidence in the next seven days will enter MR MALCOLM DAREN in to a lasting and binding tacit agreement through acquiescence to the following effect:

1. That there is a binding agreement that MR MALCOLM DAREN in the position of independent enforcement agent or enforcement agent in the employ of Bristow & Sutor Enforcement Agents has agreed that the claim being made by MR MALCOLM DAREN that MR MALCOLM DAREN is a authorised Enforcement Agent is fraudulent in nature which is also wilful and premeditated fraud by misrepresentation, which carries a term of incarceration of seven to ten years and the latter where there is multiple instances of, Or have agreed to by bound and culpable for commercial charges to the same degree.

2. That MR MALCOLM DAREN as an independent enforcement agent or an employee of Bristow & Sutor Enforcement Agents can provide the material evidence that any Judge has the authority to grant authority to another, where that judge is not a fit and proper person to grant such an authority to another, as that judge is an employee of a private company which is no different to McDonalds in status and standing and this fact has been confirmed by the Rt.
