And must state at this present time all fees to be waived for the end of 3 years minimal due to hardship and private personal situation of the family has taken all my focus to solve this issues and have no control of when it will be solved hopefully it be done in 12months, due to the mandate that "Fraser coast" supported which was unlawful act against the local / Australian people, they got scared which stop all the work I had been receiving in disability field, nor do I receive benefits, from December 2021-March 2022 \$15,000 loss, I'm in my right to send invoice for the "FCRC" to recoup, I'm not earning nor will be until some time after, as it taken all my focus to solve this issues and have no control of when it will be solved so asking for payment will cause myself the living man 'Rocco of the House "Toldo" to go into financial hardship and we have no contract and I'll will be forced to pursue the "Fraser coast council" to recoup cost or "Fraser coast" will put me and my family into a new home, which is surprising the council has not been doing this for many others in our current rental issues, if I lose this home the location a base, that private use, that is used also used as office for disability, charitably hands educational, engagements with the locals and their offspring's enjoying there recreational time in music, games, and Pray, which is no cost on my time by invite only, the saving I have is for subsistent first and only and house repayments the middle of next year.

That I am liable as a living man by law to pay or agreed to pay this claimed amount or the "REGISTERED NAME", as I don't understand, I don't understand the fees, no consent was given, the time frame giving to pay and the amount of time forced to pay a year so close together, or the interest with out consent or a agreements, and where did they get their power from under what authority was it God of heaven and earth I want to see the proof? was it the 1<sup>st</sup> nations did all the tribes across the land agree for this to happen? and what percentage do they Receive from the Rates, Fines, taxes collected please provide Proof? what proof does "local council" have to make claims for the land /water/nature to impose large fees as water is our inalienable life source no one can withhold from another life, I want to see the proof? did they get the seal of the commonwealth please provide?

Upon proof of claim to know the difference between "lawful" and "legal".

Proof that I'm a living being and not a person or human being and know the different

Upon proof of claim that I am legal fiction "person" (NAME), being the entity to which the paperwork was addressed and not Rocco of the "Toldo" family, as commonly Known.

Upon proof of claim that I the living man is a member of the society whose statutes and regulations are enforceable. What crime would anyone be conducting for this force to happen if there no one harm or been injured or its belonging forced from them?

Is the request for Council Tax in accordance with the law of the constitution and if so, please forward the information relating to the law?

I would also like a price list of the services supplied and list of the council as to where the money is been sent including Wages, Deductions

as the price of services and Rates should not be going up each Year, but decreasing every year as the "Fraser coast" as a large number of people living here paying rates and including Businesses.

I require the living man" Ken Diehm " employed as "Chief Executive Officer" of the "FRASER COAST CITY COUNCIL" to provide

Using the reply for 'I' to seek my own legal advise for the answers I seek or "Ken Diehm" or "Ms T Church" or any other member cant give legal advise or it privacy reasons is not sufficient answer as that just as bad as saying you were order too, under the nuremberg code crime act,still complicit to a crime and concealing information which is misconduct for any contract agreements or trade of business making it Null and void.

operating in the public sector evening as "acting government" must be of honourable stranded to the Kingdoms divine law and the Australian Constitution 1901/1976 / Australia act 1986 what of the oath taken by the office to uphold and support the people of the commonwealth?

complying with a code of conduct under the *Public Sector Ethics Act 1994*.

using the local Government act to say that how the powers was given is invalid due to local government should be a department only as it didn't get voted in by the referendums of the history of land mass called Australia and the queen never signed the act to take place in Australia making all law from 1973 illegal against Australia and the people , which is explain in points blow and with other attachments .

is it also true that Australia under Admiralty maritime law which is a Foreign entity is that why we under a Blue flag and not Red Flag ?making this act of treason and making everything under the law of the sea, no land to tax pay fines or vehicles for parking fines as its all under water from 1973, now its been found even earlier in Australia history making the claim for land rates dishonest?

And is it true or not that Australia been under the united nation or partnership with the United Nation or Australia acting government run or owned or registered in or as a Foreign entity also be treason to Australia ? and paying money is aiding and abetting to crime money going to UN?

Did you know Invoice or any form of asking for money must be agreed by both sound minded person and honest/consent

By what law when does a request for payment become a bill without a wet signature?

Invoice /quote must have a individual name who takes responsibilities of the invoice and there contact details have a ABN Displayed have a WET ink / Signature/ autograph making it null and void.

And Rates have already been paid by Taxes,

and to conceal this is devious , mis-con-duct, man ipu late, mis-lead is fraud ,

do you know what it is called when someone forces themselves or does something with out permission ?Rape ,theft ,coercion, threat, abuse,harassment,invasion, trespassing ,ultra vise, the intent to cause loss/harm

forced to pay rates with out a say or consent but now knowing the law no living soul , being can be forced with out full disclosure to give consent, is a crime

please also provide my wet ink autograph to agree that agreement that states ,we have this in place that the land water / land is owned by "local council government" and not God and that the 1<sup>st</sup> nation from each tribe in the land mass called Australia did consented to this and the community have Successful benefit from this ?

A copy of the agreement to alterations and price increases, with wet signatures from both parties.

were was the consent to increase the rates or to charge interest , is it not required to have finance license to incur interest unless it was agreed upon of by inflicting harm /fraud of some kind.

where is your proof of claim for this claim of debit ,was it clearly explain in simple terms of the requirements where does your authorised come from to impose any kind of tax fee or fines , what authorised do you have over my property or belongings , or my self as living being are your aware that the rate and late notice sent was a postal fraud on the council part?

Are you aware the over-reach of government power ultra vires

Article 2

1. Each State Party to the present Covenant undertakes to respect and to ensure to all individuals within its territory and subject to its jurisdiction the rights recognised in the present Covenant, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status.

2. Where not already provided for by existing legislative or other measures, each State Party to the present Covenant undertakes to take the necessary steps, in accordance with its constitutional processes and with the provisions of the present Covenant, to adopt such legislative or other measures as may be necessary to give effect to the rights recognised in the present Covenant.

3. Each State Party to the present Covenant undertakes:

(a) To ensure that any person whose rights or freedoms as herein recognised are violated shall have an effective remedy, notwithstanding that the violation has been committed by persons acting in an official capacity;

(b) To ensure that any person claiming such a remedy shall have his right thereto determined by competent judicial, administrative or legislative authorities, or by any other competent authority provided for by the legal system of the State, and to develop the possibilities of judicial remedy;

Human Rights act Article 7

No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment. In particular, no one shall be subjected without his free consent to medical or scientific experimentation.

Article 7: No punishment without law. Article 7 of the Human Rights Act. Article 7 means you cannot be charged with a criminal offence for an action that was not a crime when you committed it.

**I do not recognise the person ,the office is a corporate fiction / dead entity and you are an officer (representative) of a dead fiction. Any title given to work under makes that living being, a person an object and not a real flesh and blood man / woman / being; claim titles like TV Licence Inspector, Constable, Traffic Warden, Chief Executive Officer, HM Revenue and Customs Officer, etc. So I cannot, as a Sovereign flesh and blood being, interact / talk / see / hear or recognise anything that is dead or has a fictional title like the one Given and claim to be. I also do not recognise any fictional legal title / name bestowed on me at birth. Therefore I do not answer to names which are**

fictional legal titles that exist only on paper. I am Sovereign on the land mass Called Earth ... . **I do not understand the intent "Fraser Coast Council"** assume that I am a corporate fictional entity like the "person", through this illusion Each further assume that we may have some sort of binding contract with the legal fictional / entity / name that is assume I hold claim / title to. I do not understand your intent, since how can you ever intend to have a contract with a Sovereign flesh and blood being who is without title, is not legally bound and answers to no one. I stand Sovereign in ... and in God's Kingdom only, governed by the natural laws of the Earth. The intent is deluded and relies on people standing in or under the alleged authority which is Declined. **I do not have an international treaty with** ,Because I am Sovereign and not a legal fiction, I am classed as a Foreign Jurisdiction (in That "Contract" world) and not a Legal Jurisdiction; foreign to the "CORPORATE world. Legal Jurisdictions" can have contracts / treaties with other Legal Jurisdictions (corporation to corporation) therefore an International Treaty is needed to contract between the corporation and the LIVING man. As I am Sovereign and in a different state, I am out of state, out of "Contract state", so an International Treaty is needed in order to have a meeting of the minds. **No assured value** Means any demands for the claimed money has no real value because it were not supplied with, nor was it ordered,of any goods or services. If you were supplied with assured valuable goods or services (that was requested) then naturally There would have also been supplied with a valid invoice. In this case the "registered name" would honour the contract and pay the bill or the living being.

In order to properly validate the alleged debt, we require "Ken Diehm" CEO of ,Ms T church ","FRASER COAST CITY COUNCIL" !!!! to provide: Provide a valid contract signed in wet ink by both parties, confirming bilateral consent.

A sworn affidavit and supporting documentation and your wet ink signed in your private and public capacity that substantiates certification that the 'fines penalties and enforcement act 1994 is actually part of a current, legal and valid law in the State of Queensland and applicable to the living man/woman (not the person).

I will require certification that this act which you rely upon has in fact been lawfully enacted by the "QUEENSLAND STATE GORVEREMENNT" in the name of Her Majesty Queen Elizabeth II and is sealed with the royal assent .

Please bear in mind that every "Local Government Act" is invalid as the result of 3 Referendums shown below, so you cannot quote any of those "Local Government Acts", which have no basis or authority under the laws of the land.

**With Just Cause Without Vexation**

**All Rights Reserved**

"Ken Diehm" – Subject to also refuting all the items below, I will consider whether I am able to do business with "FRASER COAST CITY COUNCIL" organisation in the future, should any attempt to contract with me. If "Ken Diehm" agree with any item simply say yes. If you disagree, please document "Ken Diehm" reason. A non-response will be considered as its acceptance. I plan to publicise your answers for all to see! Depending on the action taken against the living man, Or use it as evidence in court if need be.

1)HCA 11. 2015 ... "If you have an ABN and provide services for money, you are a Trading Company" That cannot be changed or over-ruled by any Statute or Act.

The ATO classes Local Governments and Councils as ABN Trading Companies.

Fair Work Act Sec 35 ... "If you have an ABN and you employ people, you are a Company".Companies require a written contract with full disclosure to do business with anyone.

If a State Government tries to establish a local Government (ABN Company), that ABN company is automatically regarded as a private corporation and it, therefore, cannot be Government.

Yes/No ..... Item 1 ... disagree because

even if it was a legit Government entity it can not be forced or placed on us unwilling read our constitution

local governments or local councils returned to acting as a department of a State, as opposed to a 3rd tier of government, which is what they are currently doing – completely illegally.

I know I cant be complicit to this kind of crime can you?

Yes/no and why?

2) Prior to 1900, there were no States, they were known as Colonies and were all independent under British military law. Those independent Colonies had agreements for trade, etc under the Federal Councils of Australasia Act 1855. As free settlers began to grow in number, the People decided to unite under one form of government. Years of conventions and referendums were held and in 1898–1900 culminated in the Draft Constitution of the People which went to England for ratification.

On July 9, 1900, Queen Victoria signed the amended draft Constitution and returned it to Australia.It was approved by the people and The Commonwealth of Australia Constitution Act 1900 (UK) was brought into Australian law on 1st January 1901 to become the Founding and Primary law for all now named States and Governments, Courts, Police and People, over and above anything in previous State or Colony laws.

Yes/No ...Item 2 ... disagree because ....

3) The states DID NOT HAVE AND CURRENTLY DO NOT have Authority or power to make Acts or Laws that are NOT MENTIONED within the Commonwealth of the Australia Constitution Act, PERIOD.... Sections 106, 107, 108, and 109 CREATED THE States. Read them, they are ALL bound by Clause 5.

The Parliament has no powers except for those given by us, the people of the Commonwealth of Australia. Parliament cannot add new laws nor give any powers to States or any private company without a Referendum and then it must be Proclaimed and gazetted showing the dates of such.

Thus, State Governments have no authority to create any laws which contravene anything in the true Commonwealth of Australia Constitution Act 1901. Nor do they have powers to give to ABN companies any powers the State does not have. Section 109 removes the "anything" and everything whatsoever in any previous Acts regarding Local Councils being any part of government. They remain to this day as private ABN companies – nothing more.

Furthermore, Section 109 also nullifies every new "law" since 1900 in any State contrived "Local Government Acts," (none of which have been lawfully proclaimed, nor gazetted, nor approved by Referendum, including the notorious Australia Act 1986.) THIS IS SPELLED OUT CLEARLY IN – Sec 9A of the Acts interpretation Act 1954 which is still current.

Yes/No .....Item 3 ... disagree because ....

4) Local councils are registered on the Stock Exchange as private companies and thus as private companies have no authority under the constitution or legislation to act in any capacity, or enforce any legislation or other functions whatsoever, including no authority to impose taxes disguised as fines for anything, including parking, licenses for animals, or Land Tax Rates.

Treasurer Peter Howard Costello & Commissioner for Taxation Michael Joseph Carmody all stated before the introduction of the infamous GST"Goods and Services Tax", Quote:"Local government Council Rates will attract no GST because Council Rates are a tax and we can't tax a tax".

Therefore, your organisation falsely claiming to be a government body does not have authority to collect taxes.Clearly in

sections 51 and 52 of the Constitution and from the Constitutional Commission (1985 – 1988) Report that “The power of taxation is held exclusively by the Federal Parliament.”, and therefore no states have authority under the constitution to impose a tax. Thus, Local Government does not have the power to impose taxes in the form of fines or land tax rates. All taxes imposed by Local Councils are unlawful and repugnant.

The High Court of Australia ruled that “State Governments could not raise ANY TAX”, and because of this the ‘State Excise on Fuel, Tobacco & Alcohol’ was removed.

Yes/No ..... Item 4 ... disagree because .....

5) The Referendums in 1974 and 1988 specifically asked the people say ... Yes or No ... to Local Governments (Councils) (some which may have existed in some Colonies prior to 1900) being continued and whether new Councils could be formed .... the continuance of and establishment of .... The people voted an overwhelming NO ... thus all Councils that may have existed, became unlawful. They are not a part of Government and are nothing more than Private ABN companies. They pretend to be Government, clearly they are not.

Yes/No ..... Item 5 ... disagree because .....

6) Then came their next attempt(s) ... for Councils to have power over us and to tax us more.

The Australia Acts 1985 and 1986 (request Acts only) created the unlawful Local Governments. The real Queen Elizabeth the 2nd signed on the top of the front page of those “Acts”, which means she acknowledged, but she did not sign the bottom. She told Hawke and the Australian Government – “you must ask the people.” So, we then had a Referendum in 1999, where those 2 Acts and everything in them were overwhelmingly rejected. Thus, the inclusion of Local Government – (Local Councils) as a third tier of Government was rejected and they remain unlawful today. They are nothing more than ABN private companies. Their CEOs are not elected and they are answerable to no one, except their UN bosses, yet they control and manipulate the elected local Councillors.

The 1999 Referendum totally invalidates all Local Government Acts to this day. No new legislation can alter the fact that Councils in the form of Constitutional Government cannot lawfully exist. We the people said ... NO ... 3 times, Yes/No ..... Item 6 ...disagree because .....

7) Here are some of the many Acts of WILFUL TREASON

Australian Capital Territory Anglican Church of Australia Ordinance 1980

Tasmania Anglican Church of Australia Constitution Act 1977 No 90

New South Wales Anglican Church of Australia Act 1976 No.21

Victoria Anglican Church of Australia Constitution Act 1977 No 8984

Western Australia Anglican Church of Australia Act 1976 No 121

South Australia Anglican Church of Australia Constitution Act 1977 No 90

Queensland Anglican Church of Australia Act 1977

Northern Territory Anglican Church of Australia Ordinance 1978 No 5

All the above was deliberately done to remove all RIGHTS from the people of the Commonwealth of Australia as established UNDER the Commonwealth of Australia Constitution Act 1901

Yes/No ..... Item 7 ... disagree because .....

8) Every State created a Local Government Act by joining the Commonwealth of Australia as a sovereign, independent and federal nation enforced in the Australia Act 1986 Commonwealth.

Local Government Act 1993 No 95 Tasmania

Local Government Act 1993 No 30 New South Wales

Local Government Act 1989 No 11 Victoria

Local Government Act 1995 No 74 Western Australia

Local Government Act 1999 No 62 South Australia

Local Government Act 1993 No.70 Queensland

All State Governments by joining the Commonwealth as a sovereign, independent and federal nation took ownership of all land.

Lands Acquisition Act 1973, No. 208 (C'ith) of 19th December 1973 which created their own "Australian Land"  
4 (1) Section 7 of the Principal Act is amended–

(a) by omitting from sub-section (1) the words "The Governor-General" and substituting the words "The Minister" =  
TREASON

Yes/No .....Item 8 ... disagree because .....

9) In the 1999 Referendum, we the people also voted to remain a Constitutional Monarchy – We are not a democracy (mobocracy). A lynch mob is a democracy – the majority wants to hang the minority. WE, the People of the Commonwealth of Australia remain a Constitutional Monarchy under English Common Law. But above all is God's law in the KJV 1611.

Yes/No ..... Item 9 ... disagree because .....

10) The Political Parties have had their 3 attempts at having City and Regional Councils recognised as legitimate Local Governments through Federal Referendum but, they failed.  
However, like wolves in sheep clothing they still want it and have used many forms of veiled sophistry at their disposal to try and fool the people of Australia and through stealth rob them of their inalienable rights and freedoms as guaranteed by the Commonwealth of Australia Constitution Act 1901.

This shows the utter contempt these Politicians have, as they don't really recognise us, the people.

A Federal Referendum of the people is an explicitly binding Act on all Governments.

This also proves that these Australian Governments don't represent the people of the Commonwealth of Australia as established UNDER the Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted. When Governments don't listen to the voice of the people via Federal Referendums they enact TREASON upon themselves.

Yes/No ..... Item 10 ... disagree because .....

11) Section 128 of the Constitution provides that any proposed law to alter the Constitution must be passed by an absolute majority in both Houses of the Commonwealth Parliament. If passed by both Houses it is submitted to a referendum at least two months, but less than six months, after it has been passed by Parliament.

Under the superior Imperial Law – Transfer of Land Act ... transfers land from the Crown to you in Fee Simple. Only a Jury of 12 can order removal of ownership: Clause 39 Magna Carta.

Magistrates can only be appointed from a pool of JP's.

In Referendums 74 and 88 we said no continuance – no establishment – no empowerment – Councils have no lawful right to exist as Local Government.

#### **PROPERTY LAW ACT 1974 - SECT 21**

##### **Alienation in fee simple**

21 Alienation in fee simple

Land held of the Crown in fee simple may be assured in fee simple without licence and without fine and the person taking under the assurance shall hold the land of the Crown in the same manner as the land was held before the assurance took effect.

207B - 'the following land vests in Fee SIMPLE, Schedule B Section 123(2)(a)(2) A local law must not impose a fine .

Yes/No ..... Item 11 ... disagree because .....

12) Further demand will come under Sect 42 CRIMES ACT 1914 – SECT 42

Conspiracy to defeat justice

(1) A person commits an offence if:

(a) the person conspires with another person to obstruct, to prevent, to pervert or to defeat the course of justice in relation to a judicial power; and

(b) the judicial power is the judicial power of the Commonwealth.

Penalty: Imprisonment for 10 years.

Also in Crimes Act Sec 80 1.

AA Life Imprisonment – deprived of assets

Claiming a "Commission from the Government" is an admission of TREASON

The 1999 Referendum removed the Australia Act 1985 and 1986 and all Acts regarding Local Government, and the

attempt to establish a Republic. All Council Staff, CEOs and Councillors are accessories to the Crime and guilty of Misprision of Treason.

3 x Referendums = cannot have another Local Government Referendum. That is a Fact of Unequivocal Law: Yes/No .....Item 12 ... disagree because .....

13) I state as Fact as a British (British = a Hebrew word meaning "Covenant Man" or "Man of the Covenant") Subject and Member with one share in the Company of the Commonwealth of Australia, that all Judges, Magistrates, Lawyers, Police, Governor Generals, Attorney Generals, and Politicians, have at Law a requirement to take the Oath of Office for Allegiance to the Crown, (King David's Crown) of the covenant to maintain the Laws of God found in the first five books of the King James Bible 1611 from this all man-made legislation is strictly prohibited. This is the Law of Oath to the B.A.R. "British Accreditation Registry" All above must report to the British Monarch who is the Head of the B.A.R. which clearly orders all the above to obey the "Laws of God" This is the Law, and why the King James Bible 1611 is the only instrument at Law for a Court to Sit in competent jurisdiction

Yes/No ..... Item 13 ... disagree because .....

### DO YOU HAVE A WATER Leak?

It could be costing you money...

One dripping tap can waste more than 2,000 litres of water a month. If your toilet is running constantly, it could be costing you up to \$900.00 per year.

To check if you have a water leak:

1. Take a reading from your water meter.
2. Do not use any water for at least two hours.
3. Take another reading.
4. If the reading has increased, you likely have a leak.

Rates Overdue & Payable: \$848.83  
Property location: 39 PEDELTY LANE CRAIGNISH QLD 4655

This is a courtesy reminder to advise you that there are overdue rates for the above property.

Our records indicate that the balance shown above is outstanding as of the 6 May 2022. If you have already made payment of the overdue amount please disregard this reminder.

Payment is required to be paid to Council by 4.30pm on 27 May 2022. Please contact Customer Service on 1300 79 49 29 to obtain a current payout figure as interest is charged on overdue rates. Please note interest is charged at 8%p.a (accruing daily).

Council accepts any payment that is presented and would encourage you to make every effort to maintain regular payments in line with your income flow. This will assist in lowering the overdue amount and reduce the cost of interest that is being charged.

there is no valid contract, there is no jurisdiction. No proof of claim, no promise to preform ,as your offer was declined and you failed to provide evidence or rebuttal.

"FRASER COAST REGINAOL COUNCIL"Coordinator Rates Collection & Policy Financial Services is in Default as Creditor, now seeking Remedy for Damages.

I do not consent to proceed until your jurisdiction is proven with evidence,

"I do not consent to these proceedings."

"Your offer is not accepted."

"I do not consent to being surety for this case and these proceedings."

"I demand the bond be immediately brought forward, so I can see who will indemnify me if I am damaged."

To Sarah Offer decline thanks for your reply as you gave invalided response I, only needed to looked over the evidence and would find Local Government Act 2009 – Section 94 – Power to levy rates and charges and the Local Government Regulation 2012 – Reg 127. Ultra vise, all that was not consented by the people invalid claim ,courts must honour the constitute 109 any state law these are legislation/act not law , that not consistence with commonwealth , the federal over rides ,

the reply that was provide a unsatisfactory response now agreeing each members including the Business entity "FCRC" to pay the outstanding fees to be paid to me and all other other fees to be cancelled Immediately breaching the contract ,  
has you failed to provide evidence that it is law and is by consent and federal law and corporate law is how business is conducted failing to read the evidence and to provide evidence and to answer the question or rebut both question and affidavit with real truthful evidence.

Any entity or living soul or legal living person have no Jurisdiction over my living body-mind-spirit/ non living belongings , I do not identify as property owner im a living being,  
by opening the "CEO" mail with out my permission is mail fraud adding \$6000 to the invoice ,was labelled "private & confidential " , "CEO"and for ms t church once she read it, should of known to pass it to "Ken' has the content if for those at upper 'management/directors / CEO "it was requirement and the responsibility to pass it to the correct person it was intended for as he is or should be aware of the content,  
now its been agreed legally the "Fraser coast council" and "Sarah Milzon, Ms T Church, Ken Dieham" including the other Directors , joiners into the agreements of fees and damages layout in the notice as I stated ,  
and I would be keeping all replies and action or no replays, to summons the "FCRC" and it members to court,  
by breaching the notice and my rights and trying to force me into hardship when asked for fees to be waived and to commence back in 2025 with new set prices done legally agreement not forced with increases each time or by threat of interest  
As public servant that should representation the people of Australia and the community but have not taken the request of the people which by law, the people have the right to remove such powers and government due to over abuse of power as a acting government department, Ultra Vise ,  
no law on paper can be used to control as there is not victim , of harm , "Fraser coast council" is trying to defraud the people by over price rate which are paid by taxes, and increasing rate which you have no power to enforce with out consent to clarify 'Sarah milzon'and FCRC" confess its ok to commit a crime against another person wishes by your actions written in the letter  
control and forced against our rights, against business/ corporate act to be forced to give money with out to force me to pay is threat and use interest to coerce ,bully ,as we have no contract, while I'm in hardship and is a crime , as "FCRC" and its Members have no power or authorised over life or living being, or there belonging you don't own, the building or the land or the water you failed to read the notice and evidence

I do not consent to proceed until your jurisdiction is proven with evidence,

"I do not consent to these proceedings."

"Your offer is not accepted."

"I do not consent to being surety for this case and these proceedings."

"I demand the bond be immediately brought forward, so I can see who will indemnify me if I am damaged."

if this is to continue,the fees will double, I'm not bound as I'm not a person but a living man , im not identified by property owner, .

Was a invalid response was given no other points were answered , and ignoring the facts on the notice triggered "FCRC" into **default and breach** as now we have a contract,

"Fraser coast" and its member's each have agreed to pay the living man :Rocco, outstanding fees seek Invoice plus the breach fees and the rates from 2003 till now .

As Sarah didn't read the evidence I'll reduce some of the fee for Sarah that each 'Ken .Sarah , Ms t Church' individually answer or rebut the question and Affidavit and state what was learnt? or the rates are removed or we write a new agreements as stated in 1<sup>st</sup> notice proof of claim with set fees for life where I can renegotiate

As the Director and Beneficiary of my legal person/corporation/trust/property,and including my living soul I give you 2 days 26/5/22 Friday 10am to respond in writing providing proof of claim with evidence as to your legal or lawful jurisdiction over me, failing which you will become liable for any damages I Have suffered."

Payment Reference Number: 516427  
Rates Overdue & Payable: \$848.83  
Property location: 39 PEDELTY LANE CRAIGNISH QLD 4655

This is a courtesy reminder to advise you that there are overdue rates for the above property.  
Our records indicate that the balance shown above is outstanding as of the 6 May 2022. If you have already made payment of the overdue amount please disregard this reminder.  
Payment is required to be paid to Council by 4.30pm on 27 May 2022. Please contact Customer Service on 1300 79 49 29 to obtain a current payout figure as interest is charged on overdue rates. Please note interest is charged at 8% p.a (accruing daily).  
Council accepts any payment that is presented and would encourage you to make every effort to maintain regular payments in line with your income flow. This will assist in lowering the overdue amount and reduce the cost of interest that is being charged.  
Should you be unable to pay the account in full, Council requests you contact us to provide advice on a "payment proposal" (e.g. a weekly/fortnightly/monthly amounts). This would not be classed as a formal arrangement and accounts which remain overdue, may be referred to our collection agent.  
If you are experiencing financial difficulties, Council has a Financial Hardship Policy which may assist. This is available on our website at: <https://www.frasercoast.qld.gov.au/policies>

To "Sarah Mizon, Ken Dieham, Ms T Church" **Notice to CEASE and DESIST have been issued.**

Thank you for your letter Reference No: 516427 dated may 23<sup>rd</sup> 2022, received today, and with reference to the letters sent to you dated may 22<sup>nd</sup> 2022 and 23/5/2022, delivered by email and posted mail. In these letters I asked **Ken Dieham** to provide the following reasonably requested specific items:

1. A copy of the lawful Terms and Conditions
2. Validation of the debt (the actual accounting);
3. Verification of your claim against me (a sworn affidavit or a hand signed invoice in accordance with The Bills of Exchange Act 1909);
4. True and certified copies (Not photocopies) of the Deed of Assignment (NOT Notice of Assignment) and Deed of Notation
5. A copy of the contract signed by both parties in wet ink and therefore binding both parties;
6. A true and certified copy (NOT photocopy) of the Original Note (Credit Agreement), under penalty of perjury and with unlimited liability and confirm that this Note, has never been sold;

7. The name of the individual who is the duly authorised representative from your company, who has carried out due diligence under The Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Act) and what actions s/he has taken in relation to this account.
8. Rebuttal to the Questions and Affidavit of truth

“FRASER COAST REGINAOL COUNCIL”Coordinator Rates Collection & Policy Financial Services have failed to provide the relevant documents and this therefore indicates that “Coordinator Rates Collection & Policy Financial Services” claim is in fact invalid and unenforceable and constitutes that:

- you are in fact a third party interloper;
- you have no legal standing;
- you have no first-hand knowledge of this matter;
- your claim is in fact fraudulent;
- any damages I have suffered “FRASER COAST REGINAOL COUNCIL”Coordinator Rates Collection & Policy Financial Services” will now be held culpable;
- by tacit agreement will pay all fee schedules.

**Lord Denning states:** (Van Lynn Developments v Pelias Construction Co Ltd 1968 [3] All ER 824)

“where he said the debtor is entitled to “view the sale agreement to ensure that the assignee can give him good discharge under the contract. In order that the assignee may obtain the benefit of the Law of Property Act 1925, express notice in writing of the assignment must be given to the debtor, trustee or other person from whom the assignor would have been entitled to claim the debt or the chose or thing in action”

Further, it is submitted that the mere fact of giving a notice does not, of itself, create an assignment and that there must be an actual assignment in existence. It is the actual Assignment, not just the Section 136 notice, under which the Claimant derives title to bring the claim and the Claimant is put to strict proof that such Assignment exists. It is further averred that I am entitled, in any event, to view the document of assignment as a matter of law (Van Lynn Developments v Pelias Construction Co Ltd 1968 [3] All ER 824)

It seems to me to be unnecessary that it should give the date of the assignment so long as it makes it plain that there has in fact been an assignment so that the debtor knows to whom he has to pay the debt in the future. After receiving the notice, the debtor will be entitled, of course, to require a sight of the assignment so as to be satisfied that it is valid, and that the assignee can give him a good discharge. But the notice itself is good, even though it gives no date.

I do not consent to being surety for this case and these proceedings  
I do not consent to proceed there is no valid contract, there is no jurisdiction.  
No proof of claim, no promise to preform ,as your offer was declined and you failed  
To provide evidence or rebuttal.

notice of **default** and **stop**, end of corresponding over this matter any further communication must be made by application just check the fee scheduled.

Thank you for your service over the years and thank you for appreciating my important lawful documents and accepted of them,

Whereas "Ken Dieham",Sarah Mizon" have failed to respond to the three (3) previous Notices, Affidavit of truth that have been served on the living man "Ken Dieham" doing Business as "CEO",the living woman "Sarah Mizon ", acting employer,'at "Coordinator Rates Collection & Policy Financial Services" "MS T Church", acting employer at "Revenue property rating" at the acting Business "FRASER COAST REGIONAL COUNCIL". It is now taken to mean that each including members of the board and the Acting "Australian Government, acting " Queensland Government " Local Governance" and all interested parties agree entirely with the points of law that I previously stated and, that The Australian Government and it's Departments has no lawful claim against I, the living man Rocco family house "Toldo" since each have provided all their absolute tacit agreement to all said previous Notices and information contained within them.

As I take it as final agreement that each accept my position as it was not rebuttal or evidence provided to denial or support and it was agreed to pay the fee of invoice sent, or to make new suitable quote to begin at the end of 2025.

Any hearing with regard to this matter MUST be heard within a properly established court de jure hearing under constitutional law. The law forbids me to consent to ANY other PRESUMED jurisdiction or alleged authority.I seek remedy now, or at any future time for any torts that have been or may be committed against I or, if any more unlawful demands are made against I 'Rocco' by The "Australian Government" and it's Departments including the "FRASER COAST REGINOAL COUNCIL"of its kind with regard to threats of enforcement, or any other claims laid against I 'Rocco or the "Registered Government Name "ROCCO TOLDO". A Counter-claim for damages and fee will triple may ensue against each personally "Ken Dieham, Sarah Milzon, Ms T Church" each Director in private and unlimited capacity and the "FCRC.

As each dealing in this matter of the "FCRC" are in **default** and **dishonour** and have a duty of care, and by law to respond to the very serious constitutional points that I do refer to within said Notices. I understand that "Ken Dieham" doing Business as "CEO",the living woman "Sarah Mizon ", acting employer,'at "Coordinator Rates Collection & Policy Financial Services", living woman "MS T Church", acting employer at "Revenue property rating" at the acting Business "FRASER COAST REGIONAL COUNCIL" and thus each have the responsibility to manage their affairs according to law. Any further action taken by Ken Dieham or the "FRASER COAST REGINOAL COUNCIL"of its kind and its members, against

I, Rocco as my lawful points remain un-rebutted without substance, shall now be accepted by all interested parties to be harassment and criminal coercion to aid and abet crime, of which shall be reported to the police whilst a counter-claim for damages will ensue. Any reply must be made on each living member of the "FCRC" full commercial liability and on penalty of perjury, whilst also providing a legible full printed and signed name of the respondent.

Sincerely, without any admission of any liability whatsoever and, with no attempt to deceive or to be frivolous or to act with ill intent whatsoever.

Which now means this matter is close stopped finalised, I she'll no longer be contacted now or into the future for any kind of taxes ,And it's agreed to pursue any matter or in the future is harassment coercion , threat

Under crime act and will be in our rights to place charges, and immediately the "Fraser Coast Council" and the CEO, Directors , head of departments with in the "FCRC", each will pay to the living man Rocco of the house "Toldo" \$3,00000 .

Thank you.

With all my inalienable constitutional rights reserved and,

and stated upon my full commercial liability and penalty of perjury.

All Notices served may be presented as evidence in my defence. With Prejudice.

### Notice of Impending Action

Notice to Principal is Notice to Agent

### The Commercial Lien Process

A Common Law Commercial Lien is a process that any Living ('Human') Being can employ in order to obtain **lawful** remedy from the actions of another Living ('Human') Being(s) who have- or have attempted to- *or have conspired to-* damage said Living ('Human') Being in some way.

Such wrongs are known as "torts", and are subject to Tort Law.

This includes 'harassment', such as 'threats with menaces', which is considered to 'psychological damage'. The reason for this is very simple: Since all are equal under the LAW, then each Living ('Human') Being has a Duty of Care to each other Living ('Human') Being, such as to make sure that- whatever action we take towards each other- we have the Common Law behind those actions, and thus can live together in peace.

Abrogating said Duty of Care is a Criminal Act and constitutes a tort.

I believe that, in addition to you committing numerous crimes against My Living ('Human') Being, which are pursuant to the **Crimes Act 1958** and which shall be addressed in separate process, you have created a tort, or torts, against My Living ('Human') Being.

The Commercial Lien process is a construct of the Common Law (The Law-of-the-Land), and the land and country known as "Australia" is a Common Law jurisdiction (being, as it is, on Land). Thus any Living ('Human') Being residing in this country is subject to the Common law **above all else**. This includes the individual(s), to whom this Notice is addressed.

The Commercial Lien Process comprises:

1. The subject of the tort/s (myself in this case), will write a Statement of Truth (Affidavit), **under penalty perjury**. This being the case, what I will write will be **"the truth, the whole truth, and nothing but the truth"**, according to my perspective, and will thus be **based on first-hand knowledge**.
2. You, "Sarah Mizon" will soon be sent a copy of this Affidavit, comprising my truth concerning the allegations. In order to ward off the imperative imposition of a Lien, "Sarah Mizon" must rebut each point in order to revoke that point. "Sarah Mizon" have 7(Seven) days to respond, and rebut each point. "Sarah Mizon" must rebut each point by means of a personal sworn Affidavit, written under the same criteria namely: **From first-hand knowledge, and under penalty of perjury**.

3. Each point "Sarah Mizon " successfully and properly rebut with hard evidence will be removed from my allegations, the remaining unchallenged and un rebutted points standing as my final Affidavit. Rebut in substance does not comprise simply dismissing my allegations. The result will be Notarised (by a Notary Public) thus becoming My Statement of Truth, which also becomes the truth, in Law, and a judgement, in Law, thus no Hearing is required because the judgement stands as truth. (ex dubito justitiae "EX-DUBITO JUDITITIAE")
4. A security Interests has already been filed on the "PPSR" :202209120036503" for the outstanding amount and breach of Contract and Tort Law ,Lien process will enforce to recover the funds,
5. A Public Advertisement will then be placed stating "Sarah Mizon" assets are open to lawful and legal claim. Any creditor (myself included), would thus then be both lawfully empowered and legally entitled to;
  - a) seize any and/or all of "Sarah Mizon" property and the of the origination "Number - Sarah Mizon – LIEN - FCRC001" , savings, shares, superannuation and garnishing of future earnings, up to the value of the Lien, which currently stands, as at 21/9/2022, at \$523,288,339.10 , plus late fees and interest or
  - b) to sell this Lien off to a third party, such as a domestic debt collector, or international instrument investor/holder in due course.
6. This Lien on your assets would then need to be removed by:
  - a) full payment, or arrangement for full payment, in accordance with **INVOICE INITIALS AND NUMBER** previously served on you, or
  - b) a Jury of 12 (twelve) determining that the Lien was not legally established or enforceable, or
  - c) the passing of 99 years

To stop/avoid this Commercial Lien being perfected and the subsequent rightful and lawful and legal claim on your assets, you must make full payment, or arrangement for full payment, in accordance with Bill of Exchange Statement of Accounts **INVOICE INITIALS AND NUMBER** previously served on you, within 5 (five) business days of this **Notice of Impending Action**,27/9/2022 .

Legal proceedings will be taken to resolve this matter by raising a security by way of a lien.

**We await your response. Silence gives consent. Silence grants a tacit and binding agreement through acquiescence.**

**Note: This Notice of Impending Action is exclusive of any subsequent criminal claims that may be brought against you.**

THE HON ROBERT McCLELLAND MP

Brunswick Heads

Dear Mr Thompson

I refer to your letter received on 10 June 2010 regarding the 1988 referendum.

In 1988, four proposals to amend the Constitution were put to voters in accordance with section 128 of the Constitution. One of those proposals sought to give constitutional recognition to local government but the proposal was not carried.

The Constitution does not currently recognise local government. Any change to the Constitution to recognise local government would need to be approved by voters at a referendum. The Government will continue to explore reform, including constitutional recognition, to facilitate cooperation with local government.

Yours sincerely

Robert McClelland
